WRITTEN RESPONSE OF POSTAL SERVICE WITNESS TAKIS  
TO ORAL QUESTION OF NAA

Q. (Tr. 9/4790) In the workpaper section 4-A-39 that cites the source of the load time equations as the Commission's Opinion and Recommended Decision in Docket No. R90-1, which Opinion and Recommended Decision from that docket was the source?

RESPONSE:

The load time equations come from PRC-LR-9, Docket No. R90-1. That library reference was issued by the Commission on January 22, 1991 ("Further Notice of Additional Workpapers") in conjunction with its first Opinion and Recommended Decision in that docket. I am unaware of any subsequent revisions to PRC-LR-9.
